## Covid Policy

In reference to the Covid 19 virus, our facility will be following protocols set in place by the CDC and Bright from the Start.

- Temperature screenings will be performed on students and staff upon entering the building.
- No one with a temperature of 100 or more will be allowed in the building.
- No parents or visitors will be allowed beyond the foyer of the building.
- Social distancing practices will be required when in the facility.
- Hand washing will be performed as staff and students move from room to room.
- Classrooms and high traffic areas will be sanitized regularly throughout the day.
- Staff must wear a mask unless in a classroom or office.
- Students will use their own materials. (crayon, scissors, glue)

## OPEN HOUSE!

This year we are kicking off the school year with a virtual open house on August 14th. The files will be located on google classrooms and consist of videos and new information pertaining to the year. A Live Q&A with teachers will be available from 1-3pm. The school will also be open for NEW students and parents to tour the facility and speak with the director on Saturday, August 15th from 9am-12pm.

## EMPLOYMENT OPPORTUNITIES

We are still on the hunt for teachers and part time morning and afternoon help! Email your resume to [happyhollowchristianacademy@gmail.com](mailto:happyhollowchristianacademy@gmail.com) or come speak with us!

## SECURITY UPDATES ☀

We have been working diligently to create a safer environment in our school building. We have recently added more security cameras to our campus as well as improving lock down features. We will have a key fob system installed on our front door for parental access during school hours. The front doors will be unlocked from 7:30-8am and 2:45-3:15pm for pick up. If you need to pick up your child outside of these hours you will need to use your family assigned key fob or ring door bell for assistance.

## STAY CONNECTED

This slower season has allowed us to explore the best options for staying connected with our parents and we think we have found it! This year we will be using Google Classrooms to stay in contact with parents, post grades and homework assignments, send home important information or handouts, as well as provide online parent teacher meetings. We will be assigning a google email to each student that must be accessed by a parent/guardian to maintain communication. A letter will be mailed to each family with instructions on logging-in and usage of the site. This will be our primary mode of communication to parents. We hope to simplify the process of staying in touch and keeping you informed the happenings here at HHCA.

Finally, brothers and sisters, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable—if anything is excellent or praiseworthy—think about such things.

Philippians 4:8

## PICK UP/DROP OFF CHANGES

This year we have revamped how school aged children will be picked-up and dropped-off. We will now have a "Car-rider" lane that will flow from Highway 57 between the Wilkinson County Health Department and Senior Center, stop at the awning connected to the HHCA playground for drop off and flow out onto East Main Street. For drop off, a staff member will meet your child at the awning and virtually check them in, then escort them into the building. For pick up your child will be escorted from the building to your car at the same awning. Car Rider Drop off and Pick up times will be from 7:30-8am and 2:45-3:15pm. Please reference the map to the right.

## FUNdraising

**SHOE DRIVE:** We are still collecting new and gently used shoes! Please ask friends, family, and your church to help us meet our goal!

**FOOD TRUCKS:** KONA ICE will be at the Third Thursday Food Truck Event held at the Blue Goose in Irwinton on Thursday, August 20th from 5-8pm. Come out, enjoy a sweet treat and help support our school!
