

HAPPY HOLLOW CHRISTIAN ACADEMY

2024-2025 REGISTRATION INFORMATION

Welcome to Happy Hollow Christian Academy where our vision is that each student will know Jesus Christ as Lord & Savior, Creator and Sustainer, and will reflect His character in their daily lives. They will reach their academic potential and exercise their gifts and talents to the glory of God. To support our vision, HHCA uses curricular activities such as basketball, soccer and cross country. We also offer Music, Art, and Physical Education to students in their weekly activities. HHCA does standardized testing to help track each student's improvement rate from one grade to the next. Our accelerated reading program is used to develop a love for reading. HHCA is continuing to grow, with plans to offer through 8th grade for the 2024-2025 school year. We look forward to serving your child and family through a long-term and healthy experience at HHCA

Registration Fee

Upon admission to Happy Hollow Christian Academy, we require that each student submits a non-refundable registration fee of \$350 (\$250 for additional children). This fee ensures your child's place in their classroom each year. During the month of February, Priority Enrollment is given to the families that currently attend HHCA. This allows current students the opportunity to secure their place in their class before enrollment is open to the public on March 1st.

Financial Aid Availability

We understand that families struggle just to pay their necessary living expenses. With this in mind, HHCA strives to keep tuition as affordable as possible. We also offer additional discounts for families with multiple students. For additional help, parents may seek financial aid through our "GOAL Scholarship" program. Other opportunities may be available as well based on availability of funds and demonstrated needs of the applicant. Please contact Lindsey Attaway for assistance with financial aid.
